*Unaccounted category includes homes that were sent certified letters due to disconnected phone - not counted in appointment to be scheduled. Also note that the discrepancy between Sampling Done and Appointments Scheduled is because some homes shared a well and only one home was sampled.							

COMMUNICATIONS (Helen DuTeau)

The Community Involvement Coordinator (CIC) received an inquiry from Tom Wilbur of Blogspot requesting information about how/when EPA intends to roll out the data results to the residents/public. The email was sent to the Office of Public Affairs for follow up. The CIC also continues to receive questions from residents asking for their sample results.
